Sir,

Sub:- Education - Fisheries Higher Elementary School - Polippu - South Kanara District - employment of an additional teacher - Proposals.

The Fisheries School at Polippu is a permanent and complete Higher Elementary School having 8 standards with 10 sections. The present classwar strength and average attendance of the school are furnished below.

Standard.	Strength	Attendance.
I	34	30
II A	26	20
II B	26	21
III A	26	23
III B	27	22
IV	32	26
V	35	27
VI	35	30
VII	29	24
VIII	15	13
	285	236

At present there are 11 teachers viz. 4 Secondary and 7 Higher Elementary grades. Three Secondary grade teachers are handling the 3 High Elementary Standards viz. VI, VII, and VIII and the fourth Secondary grade teacher is acting as a Pre-Vocational Instructor. The remaining 7 Higher Elementary grade teachers are in charge of the Elementary classes from Standard I to V. Thus the Head master of the School who is handling one standard has to attend to very many items of work such as attending to the school correspondence, supervising the work of other Assistant Teachers etc. The Headmaster therefore requires some relief from his teaching work for which an additional teacher of Secondary grade is quite essential.

The Deputy Inspector of Schools when he visited the school on 7-3-52 has remarked as follows:-

> As there are 10 sections, one more Secondary grade trained teacher may be appointed to give relief to the Head master who has to attend to the clerical and supervision work."

P3 (I)

This fact is evident from the proceedings No.R.C.576 B/46 dated 7-4-46 of the Director of Public Instruction, Madras (copy enclosed). In this connection, I invite the kind attention of the Government to G.O.Ms. No.1069 Development dated 14-3-52 in which an additional teacher of the Secondary grade was sanctioned to the Fisheries Higher Elementary School, Hejmadikodi in order to give relief to the Headmaster to attend to the other items of work.

P.T.O.

In the circumstances explained above, I request that sanction may kindly be accorded for the employment of an additional Secondary grade teacher on Rs.45-3=60-2-90 p.m. in the Fisheries Higher Elementary School, Polippu for a period of one year from the date of appointment in the ensuing School year. The financial implications of this proposals are furnished below:--

Copy of Proceedings R.C.No.576 B/46 dated 7th April 1946 of the Director of Public Instruction, Madras.

Sub:- Elementary education - Local bodies - Large elementary shhools - Appointment of an extra teacher - Instructions issued.

The Director considers that there is a need for the appointment of an extra teacher in elementary schools under the management of the local bodies, having ten sections or more in order to aford relief to the Headmaster or headmistress, as the case may be, who has to attend to class work during almost all the periods in a week in addition to clerical and supervision work. Further when a teacher is absent on casual leave, it is usually found difficult to arrange for the work in his class without having an extra teacher on the staff.

The undermentioned officers are therefore informed that it is permissible to appoint an extra teacher, preferably a secondary grade one in Elementary Schools having sections ten and above.
